NEWBONE

Cette conférence est réalisée dans le cadre du projet NEWBONE cofinancé par la EC dans le 6ème PCRD

Conference : Recent developments in Biomaterial and Medical Devices

RESCOLL has the pleasure to invite you on
May 7th 2009 at ENSCPB amphitheatre 2

9:30 – 9:45 Reception

9:45 – 10:00 Welcome words and introduction

10:00 - 10:30 **Fibre-reinforced composites in dentistry and reconstructive medicine** Prof. Pekka Vallittu, University of Turku, Finland

10:30 - 11:00 **Development of biomaterials, a realistic review**
Drs. Marie-Pierre Foulc and Konstantin Sipos, RESCOLL, France

11:00 - 11:30 **Advances in bioactive ceramics and composites**
Dr. Judith Juhasz, University of Cambridge, UK

11:30 - 12:00 **Development of innovative nano-bio-materials by mechano-chemistry** Dr. Roberto Rolli, Materialia, Italy

12:00 - 12:30 **Innovative coatings for orthopaedic prostheses**
Prof Sergio Paoletti and Dr. Ivan Donati, University of Trieste, Italy

- **The conference is free** -

A buffet will allow to meet the speakers

Cost of buffet: 60 Euro, bookings to be made before **April 30th 2009**

Contact: Catherine Bodier

Phone 00 33 5 40 00 83 11 Fax: 00 33 5 40 00 28 41

ENSCP B : 16, av. Pey Berland F-33600 PESSAC
